

# Chemola™ Delta “H” Series

## Double Check Combination Lube Screw with Giant Buttonhead

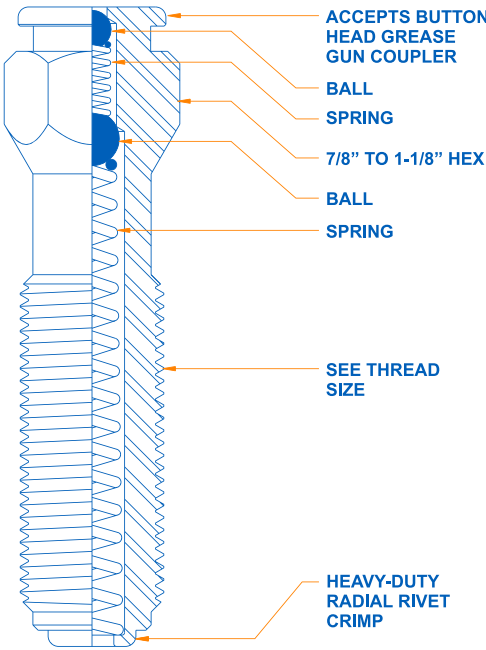

The Chemola™ Delta H Series combines a lubricant screw and gun fitting to convert valve lubrication from stick lubricant use to bulk lubricant use. This utilizes the high-pressure hand or automatic lubrication gun. The double check design has a ball check both in the head and body. The fitting is rated for service to 10,000 psi.

### Materials

Component	Material
Body	1215 Low-carbon steel
Ball	Chrome alloy
Spring	302 SS

### Ordering Information

Item Number	Unit Size
H014-09	1/4" NPT thread
