

Chemola™ Desco AQS-7

Rig Wash Concentrate

Chemola™ Desco AQS-7 is a heavy duty butyl fire-retardant cleaner; its wetting, penetrating and emulsifying action removes even petroleum and carbonaceous deposits and is tough on dirt, grime and petroleum residue. Concentrated AQS-7 turns water into a fierce soil adversary. Because it is a liquid, there is no special mixing or waste as it all goes into solution. It goes further, cleans better, thus saving you money.
